Saint-Clar is 15 minutes drive and has restaurant, supermarket and childrens' water park. The 'bastide' market towns of Mauvezin and Fleurance are within 20 minutes, with a full range of facilities and weekly markets.

The owners/managers of Puissentut live in a separate wing of the Chateau. They will provide you with as much or as little help as you require. At certain times of the year Puissentut is used for events and workshops. Because of this it is equipped to a very high standard and the owners can provide a wide range of additional services.
